ATTN: B. Mallett, Materials Licensing Section

Dear Mr. Mallett:

I wish to acknowledge receipt of our NRC License No. SNM-997.

In Part 12 under "Conditions", it states that "Licensed material shall be used by, or under the supervision and in the physical presence of, Ronald A. Kobiske". I wish to request that this be changed to read "Licensed material shall be used by faculty under the supervision of Ronald A. Kobiske". The "physical presence" part is difficult because I may have a class or meeting, etc. when another faculty member is teaching the nuclear lab. I hope that you would give this request every consideration.

Sincerely,

Ronald A. Kobiske, Ph.D.
Chairman
Department of Physics
