

Dear *Mr. Person,*

We are residents of Canton Twp., Washington, PA and are writing this letter to express our concern regarding Molycorp Inc's. "proposed radioactive waste holding site".

We do not want radioactive waste trucked into our area and stored. No one can guarantee us, to our satisfaction, that there are no health risks involved. There may be no immediate danger, but what are the long term effects?

In addition, we don't think it unrealistic to expect our property value to decline. We have worked hard all our lives to improve our properties and don't appreciate having the value lessen.

We will appreciate any support you may give us in preventing this action.

Sincerely,

*Mrs Vera Jean Piacenza*
