Dear Mr. Hunter:

On May 15, 1985 we verbally notified your Mr. D. Hunnicutt of a deficiency regarding the use of a nonrepresentative sample in determining generic values for typical conduit span calculations. We have submitted an interim report logged TXA-4489, dated June 11, 1985.

We are continuing our evaluation and anticipate completion by October 16, 1985.

Very truly yours,
