

71-9145

February 27, 1997

Dear Sirs,

Last June I requested via a registration letter to become a registered user of a Vectra cask (50-2.5), package identification number USA/9145/A. I am enclosing a copy of that registration letter. As of 2-20-97 I recieved word from Vectra that Consumers Power (now called Consumers Energy) had not been placed on the Registered Users list in that particular cask book.

Sincerely Yours,

William M. Hoaglund
