Dear Mr. Campitelli:

In correspondence dated January 31, 1997, Cabot requested that its license be amended to incorporate changes to conditions 14, 15, 16, 17 and 19. This letter acknowledges receipt of your amendment request. The submittal appears sufficiently complete to be reviewed by NRC staff. This completeness review does not reflect the technical adequacy of the submitted information. Therefore, additional information may be requested as a result of our technical review.

In addition, we understand that you plan to submit an additional amendment request regarding license condition 11 next week. We intend to combine the review of these two amendment requests into one licensing action. We will develop a review schedule which will be provided to you when finalized.

If you have any questions regarding the above, please contact me at (301) 415-6613.

Sincerely,
