Gentlemen:

Enclosed is Amendment No. 25 renewing your NRC License No. 24-01570-03 in accordance with your request.

Please review the enclosed document carefully and be sure that you understand all conditions. You must conduct your program involving radioactive materials in accordance with the conditions of your NRC license, representations made in your license application, and NRC regulations. In particular, note that you must:

1. Operate in accordance with NRC regulations 10 CFR Part 19, "Notices, Instructions and Reports to Workers; Inspections," 10 CFR Part 20, "Standards for Protection Against Radiation," and other applicable regulations.
2. Possess radioactive material only in the quantity and form indicated in your license.
3. Use radioactive material only for the purpose(s) indicated in your license.
4. Notify NRC in writing of any change in mailing address.
5. Request and obtain appropriate amendment if you plan to change ownership of your organization, change locations of radioactive material, or make any other changes in your facility or program which are contrary to your license conditions or representations made in your license application and any supplemental correspondence with NRC. Any amendment request should be accompanied by the appropriate fee specified in 10 CFR Part 170.
6. Submit a complete renewal application with proper fee or termination request at least 30 days before the expiration date on your license. You will receive a reminder notice approximately 90 days before the expiration date. Possession of radioactive material after your license expires is a violation of NRC regulations.
7. Request termination of your license if you plan to permanently discontinue activities involving radioactive material prior to your expiration date.

SUMMARY

- 1) licensee's mailing address should now be 232 South Woods Mills Road,
Chesterfield, Miss.
- 2) Advised Mr Miller that after discussion with Dr Eichling
RSO at Washington University Medical Ctr, that we could
not authorize the oncologists for Group VI only at this time.
The problem is at Wash. Med Ctr, according to Dr Eichling
they approve users based upon Board Certification
only. ~~and therefore~~ After advising Dr Eichling that
ABR Certification in (R) or (TR) does not authorize use
of W and V, he indicated that he would contact the
Committee immediately to resolve approval of users
issue. Mr Miller is to contact Dr Eichling.
