Gentlemen:

Since having our license renewal application for license number 14-03061-02 approved in March 1984, we have changed the services of radiation physicists. Our new physicist is:

Dr. Charles Bischoff, Ph.D  
Iowa Methodist Medical Center  
Des Moines, IA

Dr. Bischoff is a diplomate of the American College of Radiology. He will be serving as a consultant to both our Nuclear Medicine and Radiology services.

Please advise us if any additional update is required by this change.

Sincerely,

Jerome A. Miller, R.T.  
Administrative Director, Radiology
