Re: License Amendment for Behrends' Engineering and Surveying
1915 Inverness Blvd., Rawlins, Wyoming 82301

Attn: Mr. Kane

Dear Mr. Kane:

As per your request, this letter is to clarify my amendment request. I am dissolving my company of Behrends' Engineering and Surveying and joining Civil Engineering Professionals, Inc. (CEPI) of 240 So. Wolcott, Suite 202, Casper, Wyoming 82601. I am one of three principals in CEPI.

We are in the process of making the decision as to whether to build a new office at 1705 E. 12th Street. It will be approximately 3 weeks before we will make that decision, so I will contact you as soon as an office site has been confirmed.

Please check my license and amend if necessary to operate more than one moisture-density gauge. Also check my license and amend if necessary that any certified personnel of the company may operate these gauges.

Please find enclosed a check for \$60.00 for the amendment of my license. Thank you.

Sincerely,

CIVIL ENGINEERING PROFESSIONALS, INC.
