July 11, 1985

U. S. Nuclear Regulatory Commission  
Region III  
Materials Licensing Section  
799 Roosevelt Road  
Glen Ellyn, Illinois 60137

License Number: 34-20021-01  
Expiration Date: 09/30/85  
Program Code: 03122

Subject: Expiration of License

Gentlemen:

In response to your letter of June 5th, 1985 concerning expiration and renewal of our license, please be advised that we are requesting license renewal.

We wish to continue to operate under our current license, if possible.

We will continue to operate in accordance with those documents and applicable NRC regulations and license conditions.

All the information necessary for this renewal is the same as in the original request for license with the exception of Item #7 - Individuals. I have enclosed a corrected listing of the employees involved.

If you have any questions concerning this, please contact either James LeBoeuf or Regis VanLewen.

Thanking you in advance for your cooperation in this matter, we remain,

Yours very truly,

LUNTZ CORPORATION
