Attn: Glenda Jackson

Dear Ms. Jackson:

Following our telephone conversation today concerning renewal of license #20-01537-11 covering a self-contained, small-animal irradiator, this is to verify that that facility continues to be used for teaching and training. The renewal fee check that was sent with the application was therefore in error.

Thank you for bringing this matter to my attention.

Yours truly,

Frank Masse'
MIT Radiation Protection Officer
