RE: License No. 35-11615-01
Request for Termination

5 MAY 15 AIO 10

RECEIVED NRC
BRANCH

Dear Sir:

Please take the necessary action to terminate License No. 35-11615-01 issued to Clark Inspection Service, Inc., Tulsa, Oklahoma. Our original filing in November of 1984 has apparently not been received by your office. An effort to locate a copy of that notice has not produced the document. Please accept this letter as our request for termination. All licensed items have been delivered and received by their manufacturers for disposal or sale as requested.

In our original conversations of November, 1984, you stated that the renewal fee received by your office just prior to the time of the closing of our operations could be refunded. If that remains valid please forward that refund to the address listed below.

I appreciate your help to date and, should you need anything further, please contact me.

Sincerely,

R. L. Clark
