Gentlemen:

I would like to apply for an isotope license to process
iodine-125 and gadolinium-153 for use in bone mineral analyzer.
Enclosed please find two copies of the application and a check
in the amount of \$480 as the license fee.

Please advise if there is any additional information needed
for processing the application.

Thank you for your attention to this matter.

Very truly yours,

David A. Worth, M.D.
