

Docket Nos.: STN 50-454  
and STN 50-455

AUG 20 1985

Mr. Dennis L. Farrar  
Director of Nuclear Licensing  
Commonwealth Edison Company  
Post Office Box 767  
Chicago, Illinois 60690

Dear Mr. Farrar:

Subject: Acceptance of Byron Offsite Dose Calculation Manual (ODCM)

In your letter dated March 31, 1985 you submitted Revision 11 to the generic ODCM for Commonwealth Edison plants, including Byron site specific pages that had been previously submitted in your July 2, 1984 letter. We find that this ODCM generally uses documented and approved methods that are consistent with the methodology and guidelines in NUREG-0133. Therefore, we conclude that this ODCM is acceptable and is in compliance with Byron Technical Specification 6.14.1.

Sincerely,

(5)

B. J. Youngblood, Chief  
Licensing Branch No. 1  
Division of Licensing
