imposing Civil Penalties, signed by J.M. Taylor

Gentlemen:

In accordance with Item V of your order imposing civil monetary penalties, North American Inspection is herewith requesting a hearing in the matter concerning said imposition of penalties for reasons as stated in our letter dated February 21, 1985 with enclosures and attachments.

We do not feel, based on your Appendix captioned (Evaluation and Conclusion), that you have adequately justified the penalties defined as Severity Level III based on the U.S.N.R.C.'s Rules and Regulations that apply to us as a licensee. Being that this will be my first encounter with such a hearing, I am herewith requesting that I be advised of my rights and the format normally used for a hearing of this type. Further, is it necessary or permissible for N.A.I.I. to be represented by Legal Counsel?
