Gentlemen:

Master Time Company, Ltd. has moved from 18A, 19 Orange Grove, Christiansted to 18 Orange Grove, Christiansted.

On February 14, 1984, we made a survey of the 18A, 19 Orange Grove factory. Using a black light we proceeded down the entire factory area, which was in darkness, watching closely for any sign of radioactivity. None was found.

Assisting me in this survey were the following Master Time employees:

Daniel Stehli, Production Manager

Bernard Liburd, Service Department Manager

If anything additional is required to comply with the regulations, please let us know.

Thank you.
