Dear Ms. Riedlinger:

Enclosed please find our application for renewal of our medical license. Since Hilo Hospital is owned and operated by the State of Hawaii, it is exempt from payment of licensing fees according to Section 170.11 (a) (9) of Part 170. The enclosed supersedes all previous documents. The previous documents are obsolete and should not be included by reference as a condition in our new license.

The ALARA program associated with our medical license will be that submitted with the teletherapy renewal license (NRC Lic. No. 53-03506-02).

Don Tolbert, Ph.D., our radiation safety consultant, has played a primary role in the formulation of our renewal application. Questions concerning our application may, therefore, be directed to him. His telephone number is (808) 536-2774.

Sincerely,

  
John Hankins  
Acting Administrator
