799 Roosevelt Rd.  
Glen Ellyn, IL 60137

Gentlemen:

We would like to request the termination of our NRC License No. 21-18375-01. We no longer find it necessary for Gamma Analysis to obtain test kits containing radioactive material.

If there are any questions relating to this matter, please contact me at (313) 336-6529.

Sincerely,

*Denise Georgiou*
