Dow Chemical Company
ATTN: Dr. Ralph Langner
Chairman, Radiation
Safety Committee
Building 1803
Midland, MI 48640

Gentlemen:

This will confirm the telephone conversation of February 2, 1978, between Mr. J. Donahue of my staff and Mr. C. Kochanny of your staff, that a meeting will be held between the NRC (Region III) and Dow Chemical Company representatives at the Dow Research Reactor Facility (Building 1602) on Tuesday, February 7, 1978 at 2:00 p.m. This meeting, requested by Region III, is to discuss the results of the physical security inspection conducted at the Dow Research Reactor Facility on January 10-12, 1978.

Sincerely,

J. A. Hind, Chief
