Attention: B.A. Riedlinger

Dear Ms. Riedlinger;

General Dynamics, Pomona Division, respectfully submits the enclosed application for an industrial byproduct material license to operate a corporate owned hermeticity testing instrument which utilizes <sup>85</sup>Kr as a Tracer gas. The instrument will be located on U.S. Department of Navy property at 1675 W. Mission Blvd., Pomona, California, the site of the division.

We trust that the enclosed application, its supporting documentation and the fee for the permit will fulfill the requirements of the petition. If any clarifications, additions, or modifications are required, please contact me directly at (714) 620-7511 x3036 or x8332 so that we may expedite those changes to the satisfaction of the Commission.

Sincerely yours,

James G. Kulleck  
Radiation Safety Officer
