Met-Chem Testing Laboratories of Utah, Inc.  
ATTN: Mr. Wayne Hansen  
369 West Gregson Avenue  
Salt Lake City, Utah 84115

Gentlemen:

This letter confirms the telephone conversations between Mr. R. L. Bangart of this office and Mr. Wayne Hansen on November 14 and 15, 1985. In these conversations Mr. Hansen committed to cease radiographic operations at locations under NRC jurisdiction until Met-Chem Testing Laboratories of Utah, Inc. receives a valid NRC license. Additionally, Mr. Hansen committed to not conducting radiographic operations under the reciprocity provisions of 10 CFR Part 150 in areas where NRC has jurisdiction.

If your understanding of the commitments made in the subject telephone conversations is different from that described above, please contact us immediately.
