

# Granger and Associates, Inc.

Engineers • Surveyors • Architects

P.O. Box 276

St. Ignace, Michigan 49781

(906) 643-8953 or 632-6858

October 18, 1985

TO: Material Licensing Branch  
U.S. Nuclear Regulatory Commission  
Region III  
799 Roosevelt Road  
Glen Ellyn, Illinois 60137

Re: License Number 21-20302-01

FROM: Granger & Associates, Inc.

Please make the following amendments to the above designated license:

1. Change the name and address as follows:

Granger & Associates, Inc.  
P.O. Box 276  
St. Ignace, Michigan 49781

10. Add the following:

Licensed material may also be stored in a locked room with controlled access at 396 N. State St., St. Ignace, Michigan 49781

12. Delete the current sentence and add the following:

Licensed material shall be used by James H. Granger, Glen R. Hampton or anyone else who has completed a Troxler Training Course and supervised by the Radiation Safety Officer.

Enclosed is a money order in the amount of \$60.00.

Respectfully submitted:

*James H. Granger*
