Re: Materials Licenses No. 35-18229-01 ✓
and 35-19705-01 - 34-19128

Dear Sir:

Enclosed are applications for amendments to Byproduct Material License No. 35-18229-01, issued to Well Logging, Inc., and License No. 35-19705-01, issued to Selective Service, Inc. The amendments are for relocation from the current Nowata, Oklahoma facilities of both corporations to the location described in the enclosed attachments. No other changes are made except that Morris Moffett is no longer employed as an operator by Selective Service, as of February, 1982.

If any additional information is required, please contact me at (202) 872-7661.

Sincerely,
