Dear Sir:

Enclosed is an application for amendment to NRC Byproduct License No. 35-18229-01 dated August 30, 1978 as amended on May 30, 1980 and July 27, 1981. The current amendment increases the number of sources from 3 to 4 and adds an additional truck, as indicated in item 13. The material will be stored at Well Logging, Inc.'s Nowata, Oklahoma facility. No other changes are made.

If any additional information is required, please contact me at 872-7661.

Sincerely,
