ATTN: K. F. L. Dohrman
Radiation Safety Officer
10890 Benson
Box 12330
Overland Park, Kansas 66212

Docket No. 030-13251
License No. 15-17729-01
Control No. 17663

Gentlemen:

This is to acknowledge receipt of your application for renewal of the byproduct material license identified above. Your application is deemed timely filed, and accordingly, the license will not expire until final action has been taken by this office.

Any correspondence regarding the renewal application should reference the control number specified and your license number.

Sincerely,

Original Signed By
