Rec'd 7-29-85

FREEDOM OF INFORMATION ACT REQUEST

Dear Mr. Felton:

Pursuant to the Freedom of Information Act, 5 U.S.C. 522, as amended, and 10 CFR 9.8 of the Commission's regulations, the Nuclear Information and Resource Service requests the following documents regarding NRC's recent interim/proposed rule under the Government in the Sunshine Act. Please consider "documents" to include reports, studies, test results, correspondence, memoranda, meeting notes, meeting minutes, working papers, graphs, charts, diagrams, notes and summaries of conversations and interviews, computer records, and any other forms of written communication, including internal NRC Staff memoranda.

Pursuant to this request, please provide all documents prepared or utilized by, in the possession of, or routed through the NRC related to:

1. Any "non-meetings" or "gatherings" held pursuant to the interim rule; and
2. The manner in which the NRC will "keep the Congress and the public informed on a monthly basis" of the holding of non-meetings pursuant to the interim rule. See letter to Rep. John Dingell, Committee on Energy and Commerce from Nunzio Palladino, June 6, 1985.

Please provide a list of offices to which this request has been circulated in your response.

In our opinion, it is appropriate in this case for you to waive search charges, pursuant to 5 U.S.C. 552(a)(4)(A) "because furnishing the information can be considered as primarily benefiting the general public." The Nuclear Information and
