License No.: 02-10072-01  
Control No.: 70265

V. A. Medical Center  
7th Street and Indian School Road  
Phoenix, Arizona 85012

Attention: Mr. Ray L. Bourne  
Medical Center Director

Gentlemen:

Enclosed is the NRC license amendment which you requested.

Please review the enclosed document carefully and be sure that you understand all conditions. If there are any errors or questions, please notify us so that we can provide appropriate corrections and answers.

Please note that licensed materials must be secured from unauthorized use or removal as required by 10 CFR 20.207. Also, radiation levels in unrestricted areas must not exceed the limits stated in 10 CFR 20.105. You should assure that these requirements are satisfied while licensed materials are used and stored in Room 2413.

Area surveys of the nuclear medicine area and of Room 2413 should be maintained for inspection purposes.

A second license amendment should be requested to describe the remodeled nuclear medicine area. Refer to Item 11, page 10.8 - 6 of the enclosed guide.

Any future correspondence relating to your license should specifically reference your license and docket numbers to expedite your inquiry.

Sincerely,
