George M. McCann
U. S. Nuclear Regulatory Commission, Region III
799 Roosevelt Road
Glen Ellyn, Illinois 60137

Dear Mr. McCann:

I am writing this to you to consider permission for our license number 79148 to have the following sites added to our original application:

Site Number 1: Ann Arbor, MI 68 patients
5205 East Huron River Drive
Ypsilanti, MI 48197
(313) 434-4680

The facility's name is Biomedical Applications, Inc. of Ann Arbor-Washtenaw Regional Dialysis Center. The facility's medical director's name is Daniel Lipschutz, M.D. This will be done under my direction to perform bone densitometer exams for the dialysis patients. I authorized the use and temporary storage of radioactive materials at this location.

Site Number 2: Livonia, MI 68 patients
32423 Schoolcraft Road
Livonia, MI 48150
(313) 525-0780

The name of the facility is Biomedical Applications of Livonia and the medical director is Sidney Baskin, M.D. This will be done under my direction to perform bone densitometer exams for the dialysis patients. I authorized the use and temporary storage of radioactive materials at this location.

Site Number 3: Detroit, MI 184 patients
4727 St. Antoine
Detroit, MI 48201
(313) 831-2510

The name of the site is Biomedical Applications, Inc. of Detroit.
The medical director is Frank McDonald, M.D. and James Lawson, D.O.
This will be done under my direction to perform bone densitometer
exams for the dialysis patients. I authorized the use and temporary
storage of radioactive materials at this location.

Sincerely,

Joan C. Stryker, M.D.
