Attention: Ms. B. A. Riedlinger

Gentlemen:

Pursuant to your letter dated August 27, 1985, subject Application for Material License Agreement dated May 1, 1985 and our telephone conversation on July 19, 1985, we request that our amendment application be kept active. Attached for your immediate review is a patent that describes the process for which we are wanting to amend our license. Additional information, including specifics of the source size, model number, etc., and safety and training procedures will be available soon and submitted to you for review.

Very truly yours,

M. J. HOLMES
