Attention: Mr. M. J. Holmes

SUBJECT: APPLICATION FOR MATERIAL LICENSE AMENDMENT DATED MAY 1, 1985  
AND OUR TELEPHONE CONVERSATION ON JULY 19, 1985

Gentlemen:

This concerns the subject application for material license amendment and our telephone conversation in which we notified you that the application was deficient and that certain additional information was required.

On July 19, 1985, Mr. Whittemore of your Richmond, California facility was contacted. Mr. Whittemore stated that a description of the cobalt-60 source and procedures describing its use would be submitted for review. No such information has been received, to date.

You are hereby notified that unless within thirty (30) days from the date of this notice we receive the additional information requested, we will consider that you have abandoned your application. Any response to this letter should reference the Control Number shown above. This action is without prejudice to the resubmission of an application.

Sincerely,

SUMMARY

The cobalt source referenced in the letter ~~dated~~ dated May 1, 1985 is a 20-25 millicurie cobalt-60 source on the end of a rod. The source is used in an unshielded condition. It is moved up the side of a large pipe while measurements are made on the other side. The source is used under License No. 04-00720-02 (Chevron, Richmond, Ca.) and is stored at the Honolulu facility due to shipping expense.

Mr. Whittemore will submit more information on the source, shielding, and security so that the license can be amended.
