Dear Doctor Adam:

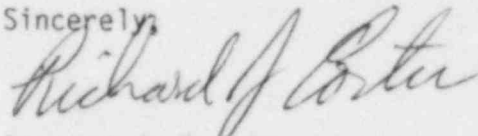

In response to your letter dated August 1, 1985, Mallinckrodt submits the following:

- a. Internal quarterly audits will still fall under the control of the Corporate RSO. Copies of complete audit reports are sent to the Corporate RSO for review.
- b. The audits will be performed by persons with training and experience equivalent to Appendix B (formal courses - 200 hours, experience - 500 hours). For example, at this time, in addition to the Corporate RSO, audits are performed by Kathleen Hagen-Quenelle (named as a user on several NRC Licenses, including 24-04206-08MD) and consultants from Nuclear Medicine Associates, located in Cleveland, Ohio.

By utilizing several qualified auditors, we can base our compliance program on a greater range of experience and knowledge.

If you have any questions, please contact me at (314) 895-2227.

Sincerely,

Richard J. Costic
