

NOV 26 1985

Docket No. 50-271

Vermont Yankee Nuclear Power Corporation
ATTN: Mr. Warren P. Murphy
Vice President and Manager
of Operations
RD 5, Box 169
Ferry Road
Brattleboro, Vermont 05301

Gentlemen:

Subject: Meeting Report No. 50-271/85-37

On October 21, 1985, an Enforcement Conference was held at the NRC Region I Office, King of Prussia, Pennsylvania, to discuss the findings of Special Inspection No. 50-271/85-31. The meeting was attended by yourself and members of your staff and by Dr. Thomas E. Murley, Regional Administrator, myself and other members of the Region I staff. At that meeting, we discussed the circumstances surrounding the undetected entry of an unauthorized individual (a contractor employee) into the site protected area, the lack of compensatory measures for an inoperative zone of the protected area perimeter alarm system and your proposed actions to prevent recurrence of these apparent violations of NRC requirements. A summary of our discussions and a listing of attendees are contained in the meeting report enclosed with this letter.

No reply to this letter is required. You have been notified of our decision regarding enforcement action by separate correspondence.

Your cooperation with us in this matter is appreciated.

Sincerely,

Original Signed By:
James H. Joyner

Thomas T. Martin, Director
Division of Radiation Safety
and Safeguards
