SUBJECT: License Amendment For Additional Source Device

Enclosed is a copy of our present license as amended
23 August 1983.

It is our intent to install an Ohmart milk-of-lime density
measuring device indential to the Sebewaing and Caro plant devices,
at our Croswell plant.

A copy of the Croswell device specifications are attached.

The Croswell plant is located at 159 South Howard Street,
Croswell, Michigan 48722.

At Croswell, the unit would be under the immediate supervision
of Harley Trowhill, Factory Manager. As in Item 12 of the license,
the unit would be under the technical supervision of Robert McAlpine,
Leif Nielsen, or G. W. Cossairt.

Upon installation, a wipe test would be performed as per Item
13 of the present license.

Sincerely,

G. W. Cossairt
