Dear Mr. Guinn:

On April 6, 1982 (mail #10989) we requested amendments to our license. In response to the letter, George Kaligfield contacted me and requested a resume on myself for your files.

Attached is my resume including work experience and educational background with specific references to prior experience in using radioisotope material.

I hope this additional information will be sufficient for your to be able to respond to our requests.

Thank you for your assistance with this matter.

Sincerely,

Christopher D. Coffin, MT(ASCP)SBB
