Gentlemen:

This refers to your application dated April 1, 1985, for a materials license.

Your application referenced the enclosure of a \$110 fee, which we did not receive. However, an application fee of \$230 is required as specified in Section 170.31 (3P) of revised 10 CFR 170, copy enclosed. Payment should be made to the U.S. Nuclear Regulatory Commission and mailed to my attention at our Washington, D.C. address.

Your application will be processed by the Region II Licensing staff located at 101 Marietta Street, Suite 2900, Atlanta, Georgia 30323. The \$230 fee, however, is required prior to issuance of the license. When submitting the fee, please refer to CONTROL NUMBER 50536.

Sincerely,
