

MAY 25 1984

Edward W. Webster, Ph.D.
Director, Department of Radiation Physics
Massachusetts General Hospital
Grey 2, Fruit Street
Boston, MA 02114

Dear Dr. Webster:

Please review the credentials of Mr. Joseph Ohlmacher to act as a qualified expert per 10 CFR Part 35, Section 35.24.

Documentation of Mr. Ohlmacher's training and experience is enclosed, as well as a report of a full calibration and spot-check program performed by Mr. Ohlmacher, and a written endorsement of the technical qualifications of Mr. Ohlmacher from a physicist certified by the American Board of Radiology. Also enclosed is a standard appraisal form for your convenience. Please forward your comments to the following address:

U.S. Nuclear Regulatory Committee
Region III Materials Licensing Section
799 Roosevelt Road
Glen Ellyn, IL 60137
ATTN: Bruce S. Mallett, Ph.D.

Thank you.

Sincerely,

Patricia J. Whiston
