Attn: HSHK-RP  
Tripler AMC, Hawaii 96859-5000

Gentlemen:

Thank you for your letter dated July 9, 1985.

We have extended the date by which a response is expected to our letter dated June 17, 1985. Your response is now expected by August 31, 1985.

Also, on July 15, 1985, we received a preceptor statement from Dr. Tapan A. Hazra of the Medical College of Virginia. The statement had been misrouted within NRC. Therefore, you do not need to submit an additional preceptor statement from the Medical College of Virginia.

Please submit your reply in duplicate, and refer to Mail Control No. 18283.

Sincerely,

R. D. Thomas, Chief  
Nuclear Materials Safety Section
