Dear Sir:

In reference to License #24-00128-05, we request an amendment to designate W. Donald Agnew, M.S. as Radiation Safety Officer and as member of the Radiation Safety Committee. Mr. Agnew's training and experience are detailed on the attached Supplement A to NRC Form 313T.

In addition to the above, we request an amendment excepting the license from the requirements of 10 CFR Section 35.24 as noted in Footnote 2. Please note that the information required in Footnote 2 is enclosed (in duplicate) herewith.

Sincerely,

  
O. David Niswonger, Administrator
