Gentlemen:

Enclosed is Amendment Number 32 to NRC License Number 12-00088-07 which authorizes your request for certain program modifications listed in your July 5, 1985 letter. Note that the enclosed amendment does not authorize you to incinerate waste generated under this license.

We have also modified your name and mailing address as requested in previously submitted correspondence.

If you have any questions or require clarification on any of the information stated above, you may contact us at (312) 790-5625.

Sincerely,

RE: 12-00088-06, 07, 08 and 09

Dear Dr. Mallett,

So that unnecessary delays may be eliminated when communicating with your office and the Compliance Section, future licensing and compliance correspondence should be sent directly to our Radiation Safety Officer at the following address:

Raymond C. Barrall
Director of Radiation Protection
The University of Illinois at Chicago
Radiation Safety Office, 339 CSN, m/c 932
Box 6998
Chicago, Illinois 60680

A copy should be sent to my attention at the following address:

James J. Stukel, Ph.D.
Vice Chancellor for Research
The University of Illinois at Chicago
310 AOB, m/c 672
Box 6998
Chicago, Illinois 60680

Please send all notices, licensing guides and other informational material directly to Raymond C. Barrall. Much of this type of material is now coming to the University at various addresses and is not promptly received by the Radiation Safety Office.

Sincerely,

James J. Stukel
