Dear Mrs Holt:

Re: Renewal Application of Wayne State  
University's N.R.C. License #21-00741-10

Enclosed, please find two (2) documents containing information for licensure renewal of N.R.C. License #21-00741-10 (Cobalt-60 Irradiator) used at Wayne State University in Detroit, Michigan.

If you have any questions regarding this license renewal, please feel free to contact me at (313) 577-1253.

Thank you,

  
Richard D. Cummings  
Director  
R.S.O.
