Re: LeFlore County Memorial Hospital
Poteau, Oklahoma
License No. 35-16700-01
Reference No. 030-11490

Dear Mr. Whitten:

On January 11, 1985, we requested that our names be removed from the above mentioned license number since our service to that institution had terminated on January 2, 1985.

Following a telephone conversation with your office, we requested the LeFlore County Memorial Hospital administration to notify you regarding the cessation of our coverage in order that our names might be deleted from the license.

The administration of the hospital has apparently not complied with our request, and we must insist that you take whatever action is necessary to remove our names from the LeFlore County Hospital license.
