Mr. Madera:

As per our telephone conversation on May 7, 1985, I am requesting an ammendment to License No. 48-14158-01. Mr. Gary McManus, a life long friend and business partner passed away May 1, 1985. Unfortunately, my name was not on his NRC License other than as a Radiographer. However, Mr. McManus was in the process of ammending his license to list me as his Radiation Safety Officer. During our routine safety inspection in February of 1984, Mr. D. R. Gibbons was made aware of our intent, unfortunately we did not follow up on this in time.

I will welcome any advice or help you may be able to supply me with on this matter, I can be reached by telephone at (414) 784-3389.

Sincerely yours,

QUALITY ASSURANCE INDUSTRIES, INC.
