ORGANIZATIONAL STRUCTURE

1. Owner/President Thomas Buschke
2. Radiation Safety Officer Thomas Buschke

Thomas Buschke is directly responsible for the overall operation of Quality Assurance Industries, Inc. He shall be responsible to make certain that all NRC Regulations and Quality Assurance Industries, Inc. license and stipulations are strictly adhered to. Thomas Buschke is the only person actually involved in the management of Quality Assurance Industries, Inc.

Thomas Buschke has been actively involved in Isotope Radiography since 1960. He was trained and licensed at Larpen Industries, Inc. in the safe use and handling of radioactive isotopes. He has attended numerous symposiums and courses on radiation safety held by the NRC and other organizations. He has been continually licensed by the NRC as a radiographer for the past (25) years.

Attached is a copy of work history.

THOMAS E. BUSCHKE
