Letter dated November 29, 1984

Dear Dr. Glenn:

In our above referenced letter we requested a change of address during the recent license renewal. When the renewed license was received, both the old address, 45 Gracey Avenue, and the current address, One State Street were both referenced in license item 10. A later conversation with a Mr. Mike Roe of your office indicated a close-out survey was necessary to delete the old use address.

Attached is the final close-out survey performed on April 9, 1985. The map indicates where the source cabinets were located and the areas surveyed. The survey was performed using a Ludlum Model 3 survey meter calibrated 12/12/84 with a Ludlum Model 44-9 GM probe (2800 cpm/mr/hr). All readings indicated background.

An on-site inspection was performed by Region I after the move to One State Street and no discrepancies in accountability were found.

I request that Item 10 of license 06-15099-01 be amended to show use at One State Street only.

Sincerely,

Robert M. Loesch
