RE: Source Material License SUA-917
 Docket No. 40-3453

Dear Mr. Smith:

This correspondence transmits the first half of 1985 sampling and analysis results of the environmental monitoring program as required by license condition 39 and 40 of the revision of Source Material License SUA-917.

The groundwater analyses are also submitted to partially satisfy license condition 45 on the revision.

If additional information or clarification is needed relative to the material herewith enclosed, please contact me at your convenience.

Sincerely,

Dale L. Edwards
