Mr. Samuel J. Collins, Director
Office of Nuclear Reactor Regulation
U. S. Nuclear Regulatory Commission
Attn: Document Control Desk
Mail Station P1-37
Washington, DC 20555-0001

Subject: Duane Arnold Energy Center
Docket No: 50-331
Op. License No: DPR-49
DAEC Management Structure
File: A-100

Dear Mr. Collins:

The purpose of this letter is to provide the management structure at DAEC. Lee Liu is the Chairman and Chief Executive Officer of IES Industries and IES Utilities Inc. Larry D. Root is the President and Chief Operating Officer of IES Industries and IES Utilities and reports directly to Lee. John F. Franz Jr. is the Vice President, Nuclear and reports to Larry. Attached is an organization chart showing the line management that reports directly to John.

Sincerely,

Kenneth E. Peveler
Manager, Regulator Performance
