Areas examined during this inspection are described in the NRC Region I Inspection Report which is enclosed with this letter. Within these areas, the inspection consisted of selective examinations of procedures and representative records, interviews with personnel, measurements made by the inspectors, and observations by the inspectors.

As discussed during the telephone conversation between yourself and Dr. Glenn, the apparent violations identified during this inspection will be discussed at an Enforcement Conference at our office in King of Prussia, Pennsylvania at 1:30 p.m. on February 19, 1986. We understand that you will attend this meeting with other members of the Hospital staff. You should be prepared to discuss the causes of these apparent violations and your proposed corrective action. Enforcement action for these violations will be considered by the NRC following the Conference. The NRC Enforcement Policy is described in Appendix C of 10 CFR Part 2, a copy of which is enclosed for your information.

In accordance with Section 2.790 of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, a copy of this letter and the enclosed inspection report will be placed in the NRC Public Document Room.
