Gentlemen:

Enclosed is the application for renewal of License #34-00374-07.
No essential changes are desired in this license beyond substituting my
name as RPO in place of B. J. DeWitt (retired), and William Stockert in
place of Charles Lux (quit employment).

We will continue to possess and use licensed sealed sources for density/
level measurements in the Barberton Plant in accordance with statements,
representations, and procedures pursuant to our license.

Sincerely yours,

Lionel H. Dahmer
