Mr. John D. Kinneman, Chief
Nuclear Materials Section A
Nuclear Materials Safety & Safeguards Branch
Division of Radiation Safety and Safeguards
Nuclear Regulator Commission
631 Park Avenue
King of Prussia, PA 19406

Dear Mr. Kinneman:

Enclosed is my application for materials license. This license will enable me to purchase commercial radioimmunoassay kits in the training of Medical Laboratory Technology students.

These kits will be used only in our medical laboratory on the campus of Northampton County Area Community College.

This is a public college and therefore as I understand exempt from any license fee.

Sincerely yours,

Dr. Dwight O. Kamback,
Director of MLT Program
