Gentlemen:

SUBJECT: VOGTLE QUALITY ASSURANCE PROGRAM

This refers to your letters to this office dated July 30, and August 9, 1985, which provided organizational changes and a current description of the design and construction quality assurance program for the Vogtle Plant Docket, Nos. 50-424 and 50-425. Additional clarification was provided in your letter dated October 18, 1985, in response to my letter dated September 9, 1985. Our review of this information indicates that your quality assurance program continues to meet the requirements of 10 CFR 50 Appendix B and is therefore acceptable.

We request that you incorporate this clarifying information in an appropriate revision of the Vogtle Safety Analysis Report. Please contact me if you have any questions concerning this letter. We appreciate your timely submittal and prompt response to our questions regarding the information required by 10 CFR 50.55(f).

Sincerely,

Original Signed by
