Transportation Branch
Division of Fuel Cycle & Material Safety
U.S. Nuclear Regulatory Commission
Washington D.C. 20555

Dear Sir:

In accordance with 10CFR Part 71.51, I have enclosed an amended copy of our Quality Assurance Program as a user of radioactive material shipping packages. The changes to the program are denoted for your convenience. Please note that the changes are limited to the following:

1. Changing of company name.
2. Mailing address has changed. This is a postal system change only, the actual location remains the same.
3. Minor changes in the organizations structure. (Organizational chart attached.)

Please find enclosed a check in the amount of \$150.00 to cover the fee for amending our Q.A. Program as required by 10CFR Part 170.31.

We hope these changes meet with your approval and if you should have any questions, please feel free to contact us.
